Play United Way BINGO!

Here's a great way to learn about the needs in your community and what your donations to United Way's Local Community Fund are doing to address them. It's fun for your employees and doesn't cost them anything. It's purely informational! The more they know, the more they'll give.

Directions for Running the Game:

1. Hand out a bingo card to every employee. Ask your Campaign Executive or other United Way staff to bring you the number you need. Bingo cards are free and come in packs of 25.
2. Each day, "call" 2 bingo squares using the bingo squares provided here (cut into squares, put into a bowl, hat, etc and draw as needed). It's easiest to announce the squares over email or post a hard copy in a central area (e.g. break room).
3. Each square will have an associated United Way fact. When you give employees their daily 2 bingo squares, give them a fact with each one. We've provided the facts for you. If you want more facts, you can find plenty of information on our web site at www.uwsc.org.
4. It may take a week or even 2 weeks for someone to get a bingo. If you want to speed up the process announce 3 or 4 bingo squares each day.
5. The employee who wins must turn in his/her bingo card and the facts that correspond with the winning squares (we want them to read the facts).
6. Consider playing the game until you have 3-4 employees with a bingo. The longer you go, the more your employees will learn about their community and United Way.
7. Incentive prizes can be low cost or free. Some ideas are: mug with candy inside, Starbucks gift card, an hour off with pay, company logo merchandise, prime parking space, etc.
8. Have fun with your campaign. Give your employees as much information as possible about United Way. Help your employees learn more about the community. *Help them make an informed decision about giving.*
